

# FEBRUARY GODTIME

SPEND TIME WITH GOD. MAKE IT A HABIT.

**Parents, this is a tool to help your child spend time with God each week.**

## Big Idea

If we are all on the same page, we can accomplish anything with God!

**Day 1 -- FIND IT.** Parents, help your child use the index in the front of his Bible to find the book. Explain that the first number is the chapter and the second number is the verse. **FIND IT** and read the verse(s) aloud.

**Day 2 -- MARK IT.** One great way to learn a verse is to **MARK IT** in your Bible. Parents, have your child use a set of colored pencils to mark things that stand out to him as you read it together. Give him ideas of what to underline. For example, circle action words or underline his favorite part. Then, talk about it together.

**Day 3 -- WRITE IT or DRAW IT.** Take a look at the verse again together. Ask your child to think about what this verse is asking him to do. Now, pull out a piece of paper and have them either **WRITE IT** in his own words, or **DRAW** a picture of what he needs to remember.

**Day 4 -- PRAY IT.** Explain to your child that it's not enough just to read the Bible or even to memorize it. God wants us to put His Word into practice and actually live it out! Encourage him to **PRAY IT** and ask God what He wants him to do with what he is learning from God's Word.

**Day 5 -- MEMORIZE IT.** Use this day to learn or revise this month's memory verse. Encourage your child/ren to stick up memory verses in their room. Over a drive in the car / a meal / or in some spare time ask them to **RECITE** it to you including where it is from (book, chapter and verse).
